Date of issue: 01-02-2022

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC (REACH)

1. Identification of the product and company

Trade name	:	Durastone Flexible Polished Floors
Application of the product	:	Floor covering
Manufacturer/Supplier	:	Duracryl International BV Elandstraat 91 2901 BK Capelle aan den IJssel – The Netherlands Phone: +31 10 458 8552 info@duracryl.com

2. Hazards identification

Hazard description	:	No particular hazard for persons and the environment known

3. Composition/information on ingredients

Description	:	Floor covering based on a biopolymer binder made of vegetable oil, linseed oil, reactive activator, marble aggregates, pigments, calcium carbonate and a waterborne polyurethane finish
Dangerous components	:	None

4. First-aid measures

After inhalation	:	Not applicable
After skin contact	:	Not applicable
After eye contact	:	Not applicable
After swallowing	:	Not applicable

5. Fire-fighting measures

Suitable extinguishing media	:	Water, foam, carbon dioxide, dry powder
Special hazards from the product itself, its products of combustion or resulting gases	:	Carbon monoxide
Protective equipment	:	Use self-contained breathing apparatus

6. Accidental release measures

Person-related safety precautions	:	Not applicable
Measures for environmental protection	:	Not applicable
Measures for cleaning/collecting	:	Not applicable

7. Handling and storage

Information for safe handling	:	No specific measure required
Information about storage	:	No specific measure required

8. Exposure controls/personal protection

Ingredients with occupational exposure limits to be monitored	:	Not applicable
General protective and hygienic measures	:	No specific measures required
Respiratory protection	:	Not applicable
Hand protection	:	Not applicable
Eye protection	:	Not applicable
Skin protection	:	Not applicable

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC (REACH)

9. Physical and chemical properties

Physical state	:	Solid flexible floor covering
Form	:	Seamless
Color	:	Various colors
Odor	:	No odor
Melting point	:	Not applicable
Flash point	:	Not applicable
Decomposition temperature	:	Approx. 450 °C
Danger of explosion	:	Not applicable
Density	:	1750 – 2250 kg/m^3
Solubility	:	Insoluble in water or conventional solvents

10. Stability and reactivity

Thermal decomposition	:	No decomposition up to approx. 450 °C
Hazardous reactions	:	No hazardous reactions
Dangerous decomposition products	:	No dangerous decomposition products

11. Toxicological information

General information	:	No harmful effects have been reported to date

12. Ecological information

Information about elimination	:	Product is biodegradable and can be recycled
Other information	:	Insoluble in water

13. Disposal considerations

Product	:	Recycling through crushing until granules
Packaging	:	Packaging should be subjected to waste management schemes in accordance with local and national legislation

14. Transport information

ADR	:	Not restricted
ADNR	:	Not restricted
RID	:	Not restricted
IATA	:	Not restricted
IMDG	:	Not restricted

15. Regulatory information

Labelling in accordance with EC-directives	:	The product does not require a hazard warning label in accordance with EC-directives

16. Other information

Department issuing MSDS	:	Quality Assurance
Contact	:	M. van den Berg
